1.0 INTRODUCTION

The Education and Leadership Trust is committed to ensuring equality of education and opportunity for all students, staff, parents and carers receiving services from the Trust, irrespective of race, gender, sexuality, disability, faith or religion or socio-economic background. We aim to develop a culture of inclusion and diversity in which all those connected to the Trust feel proud of their identity and are able to participate fully in school life.

The achievement of students will be monitored by race, gender and disability and we will use this data to support students, raise standards and ensure inclusive teaching. We will tackle discrimination by the positive promotion of equality, challenging bullying and stereotypes and creating an environment which champions respect for all. At the Education and Leadership Trust, we believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here.

2.0 PURPOSE OF THE POLICY

This Equality Policy brings together all previous policies, schemes and action plans around equality including all those that we had previously for Race, Gender and Disability. It includes all the protected characteristics covered under the Equality Act 2010 as well as other aspects which have the potential to discriminate against any individuals within our community. The Equality Act 2010 was introduced to ensure protection from discrimination, harassment and victimisation on the grounds of the following characteristics:

- Sex (gender)
- Race
- Disability
- Religion or belief
- Gender reassignment
- Sexual orientation
- Pregnancy or maternity
- Age, marriage and civil partnership are also 'protected characteristics' but are not part of the school provisions related to students.

We are further committed to the development of cohesive communities both within our schools' physical boundaries and within our local, national and global environments. Our schools embrace the aim of working together with others to improve children's educational and wellbeing outcomes as set out in the UN Convention on the Rights of the Child.

The purpose of the Policy is to set out how our policies and practices have *due regard* to the Public Sector Equality Duty (April 2011) which requires all public organisations, including schools to:

- Eliminate unlawful discrimination, harassment and victimisation ;
- Advance equality of opportunity between people who share a *protected characteristic* and those who do not
- Foster good relations between people who share a *protected characteristic* and those who do not

It explains how we listen to and involve students, staff, governors, parents/carers and the community in achieving better outcomes for our children and young people.

3.0 OBJECTIVES

- To eliminate discrimination, harassment and victimisation
- To promote equality of access and opportunity within our school and within our wider community
- To promote positive attitudes to difference and good relationships between people with different backgrounds, genders, cultures, faiths, abilities and ethnic origins

SPECIFIC DUTIES

In accordance with the specific duties the school will:

- Publish information annually to demonstrate compliance with the Equality Duty
- Publish equality objectives every four years

All information must be published in a way that is accessible to the public

4.0 MAINSTREAMING EQUALITY INTO POLICY AND PRACTICE

As well as the specific objectives set out in this policy, the school operates equality of opportunity in its day to day practice in the following way:

5.0 TEACHING AND LEARNING

We aim to provide all our students with the opportunity to succeed, and to reach the highest level of personal achievement. To do this, we will:

- Use contextual data to improve the ways in which we provide support to individuals and groups of students;
- Monitor achievement data by ethnicity, gender and disability and action any gaps;
- Take account of the achievement of all students when planning for future learning and setting challenging targets;
- Ensure equality of access for all students and prepare them for life in a diverse society;
- Use materials that reflect the diversity of the school, population and local community in terms of race, gender and disability, without stereotyping;
- Promote attitudes and values that will challenge racist and other discriminatory behaviour or prejudice;
- Provide opportunities for students to appreciate their own culture and celebrate the diversity of other cultures;
- Seek to involve all parents in supporting their child's education;
- Encourage classroom and staffroom discussion of equality issues which reflect on social stereotypes, expectations and the impact on learning;
- Include teaching and classroom-based approaches appropriate for the whole school population, which are inclusive and reflective of our students.

6.0 ADMISSIONS AND EXCLUSIONS

Our admissions arrangements are fair and transparent, and do not discriminate on any of the *protected characteristics*.

Exclusions will always be based on the Trust's Behaviour Policy. We will closely monitor exclusions to avoid any potential adverse impact and ensure any discrepancies are identified and dealt with.

7.0 EQUAL OPPORTUNITIES FOR STAFF

This section deals with aspects of equal opportunities relating to staff in the Education and Leadership Trust.

We are committed to the implementation of equal opportunities principles and the monitoring and active promotion of equality in all aspects of staffing and employment.

All staff appointments and promotions are made on the basis of merit and ability and in compliance with the law. All *protected characteristics* are considered when appointing staff and particularly when allocating Teaching and Learning Responsibilities (TLR) or re-evaluating staff structures, to ensure decisions are free of discrimination. We are also concerned to ensure wherever possible that the staffing of the school reflects the diversity of our community.

8.0 EMPLOYER DUTIES

As an employer we need to ensure that we eliminate discrimination and harassment in our employment practice and actively promote equality across all groups within our workforce. We respect the religious beliefs and practice of all staff, students, parents and visitors to the school and comply with reasonable requests relating to religious observance and practice.

We ensure that all staff, both teaching and support, receive appropriate training and opportunities for professional development, both as individuals and as groups or teams.

Actions to ensure this commitment is met include:

- Monitoring recruitment and retention including bullying and harassment of staff;
- Monitoring continued professional development opportunities for all staff;
- Senior Leadership Team support to ensure equality of opportunity for all.

Consultation and involvement

It is a requirement that the development of this policy and the objectives within it have been informed by the input of staff, students and parents and carers. We have achieved this by using the following:

- Feedback from SEN & EAL Parent Forum meetings; Input from staff surveys or through staff meetings / INSET;
- Feedback from whole school surveys on students' attitudes to self
- Issues raised in Annual Reviews or reviews of progress on Individual Education Plans/Personalised Provision Maps;
- Feedback at Local Governing Body meetings.

10.0 TACKLING DISCRIMINATION

Harassment on any of the *protected characteristics* is unacceptable and is not tolerated within the school environment.

All staff are expected to deal with any discriminatory incidents that may occur. They are expected to know how to identify and challenge prejudice and stereotyping; and to support the full range of diverse needs according to a student's individual circumstances.

Racist, sexist, homophobic or any transphobic incidents and other incidents of harassment or bullying are dealt with by the member of staff present, escalating to a Head of House /Senior Leader/ Academy Headteacher where necessary. All incidents are reported to the Academy Headteacher and racist incidents are reported to the Local Governing Body on a termly basis.

What is a discriminatory incident?

Harassment on grounds of any of the *protected characteristics* can take many forms including verbal or physical abuse, name calling, exclusion from groups and activities, unwanted looks or comments, jokes and graffiti.

A racist incident is defined by the McPherson Report (1999) as:
'any incident which is perceived to be racist by the victim or any other person'.

It should be clear to students and staff how they report incidents. All staff, teaching and support, should view dealing with incidents as vital to the well-being of the whole school.

The following procedure for reporting a racist incident is followed in the Trust to report racist incidents. * see Appendix 1

Review of progress and impact

The policy has been agreed by our Trust Board. We have a rolling programme for reviewing our policies and their impact. In line with legislative requirements, we will review progress against our Equality Objectives annually and review the entire policy and accompanying action plan on a three year cycle.

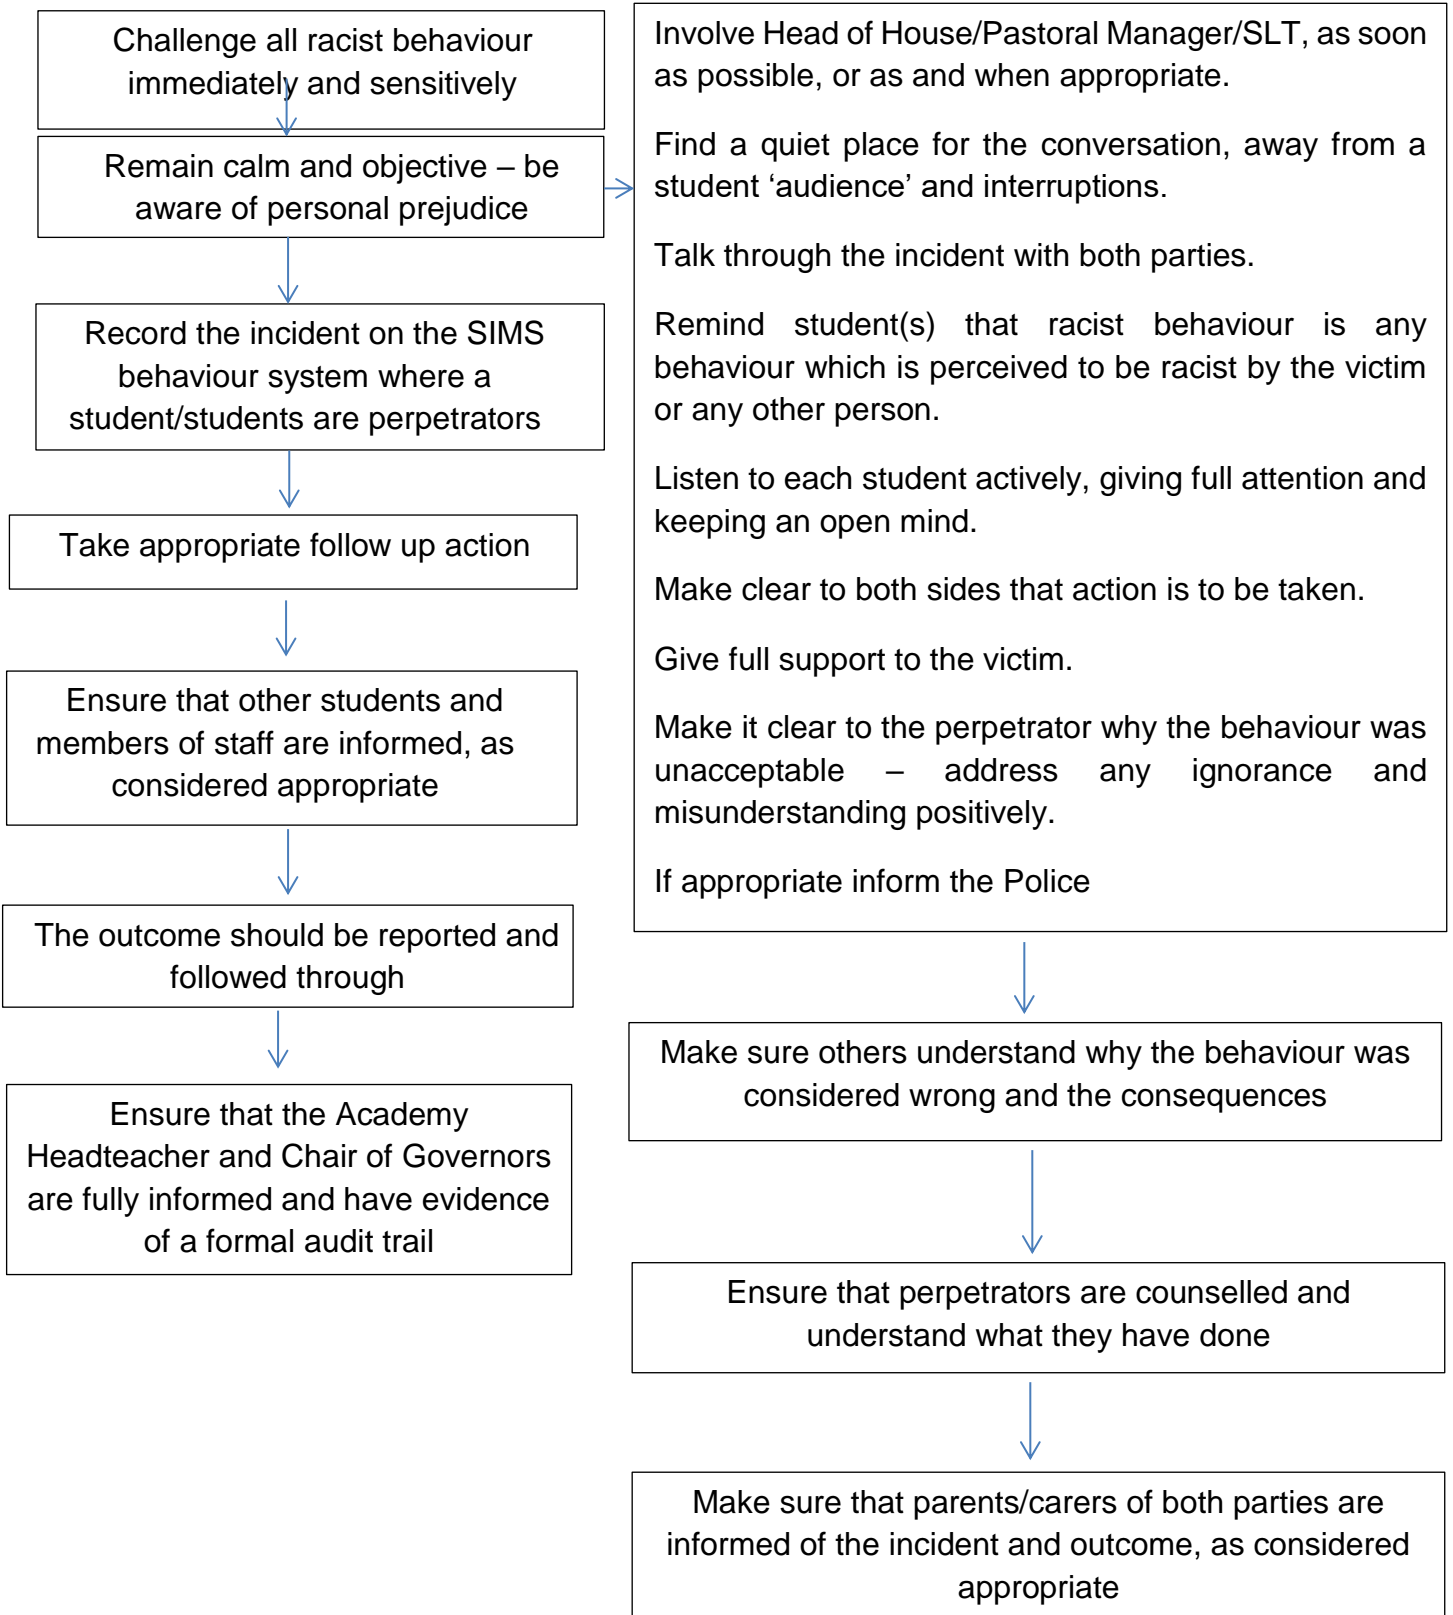

We make regular assessments of students' learning and use this information to track student progress. As part of this process, we regularly monitor achievement by ethnicity, gender and disability, to ensure that all groups of students are making the best possible progress, and take appropriate action to address any gaps.

1.0 Vision Statement

1.1 The Equality Act 2010 replaced all existing equality legislation, including the Disability Discrimination Act. According to the Equality Act 2010 a person has a disability if:

- (a) They have a physical or mental impairment, and
- (b) The impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

Under the Equality Act 2010 an Accessibility Plan is listed as a statutory document of the Department for Education's guidance on statutory policies for schools. The Plan must be reviewed every three years and approved by the Governing Body. At Whalley Range 11-18 High School the Plan will be monitored by the head teacher and evaluated by the relevant Governors' committee.

1.2 At Whalley Range 11-18 High School we are committed to working together to provide an inspirational and exciting learning environment where all children can develop an enthusiasm for life-long learning. We believe that children should feel happy, safe and valued so that they gain a respectful, caring attitude towards each other and the environment both locally and globally.

The Whalley Range 11-18 High School Accessibility Plan has been developed and drawn up based upon consultations with pupils, parents, staff and governors of the school. The document will be used to advise other school planning documents and policies and will be reported upon annually in respect of progress and outcomes. The intention is to provide a projected plan for a three year period ahead of the next review.

The Accessibility Plan is structured to complement and support the school's Equality Objectives, and will similarly be published on the school website. We understand that the Local Authority will monitor the school's activity under the Equality Act 2010 (and in particular Schedule 10 regarding Accessibility) and will advise upon the compliance with that duty.

The Whalley Range 11-18 High School Accessibility Plan shows how access is to be improved for disabled pupils, staff and visitors to the school within a given timeframe and anticipating the need to make reasonable adjustments to accommodate their needs where practicable. The Accessibility Plan contains relevant and timely actions to:-

- Increase access to the curriculum for pupils with a disability,
- Improve and maintain access to the **physical environment** of the school,
- Improve the delivery of written information to pupils, staff, parents and visitors with disabilities;

1.3 Whalley Range 11-18 High School is committed to providing an environment that enables full curriculum access that values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness within the school.

Whole school training will recognize the need to continue raising awareness for staff and governors on equality issues with reference to the Equality Act 2010.

1.4 This Accessibility Plan should be read in conjunction with the following school policies, strategies and documents:

- Behaviour for Learning Policy
- Teaching and Learning Policy
- Health & Safety Policy
- Equality Policy
- School Improvement Plan
- Special Educational Needs & Disability Policy and SEND Information report

1.5 Equality Impact Assessments will be undertaken as and when school policies are reviewed. The terms of reference for all governors' committees will include the need to consider Equality and Diversity issues as required by the Equality Act 2010.

2.0 Aims and Objectives

Our Aims are to:

- Increase access to the curriculum for pupils with a disability,
- Improve and maintain access to the physical environment
- Improve the delivery of written information to pupils,

Our objectives are detailed in the Action Plan below.

3.0 Contextual info

There are currently 137 students on the SEN register. Please see breakdown below.

	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12	Year 13	Grand Total

Grand Total	25	23	23	20	26	18	2	137

There is one member of staff who is registered as disabled.

4.0 Current good practice

We aim to ask about any disability or health condition in early communications with new parents and carers. For parents and carers of children already at the school, we collect information on disability on entry to the school.

4.1 Physical Environment

The School has in place full disabled access to all its facilities and has ensured that such access has been maintained in its ongoing development of additional teaching spaces. Full access is also in place to all external parts of the School's site. The School has similarly ensured that there are sufficient washroom facilities within its teaching areas designed specifically for disabled users.

As has been best practice in the past, the School will continue to take account of the needs of its students, staff and visitors with physical difficulties and other impairments when planning and undertaking future improvements and refurbishments of the site and premises, such as improved access, lighting, acoustic treatment and colour schemes

4.2 Curriculum

The School already offers a broad and balanced curriculum with a diverse range of additional opportunities that are appropriately differentiated so as to maximise student access and to encourage wider participation. The School will continue to review provision and seek input from students, parents/carers, relevant specialist advisers and appropriate health professionals on a regular basis.

4.3 Information

Different forms of communication are made available to enable all disabled pupils to express their views and to hear the views of others. Access to information is planned, with a range of different formats available for disabled pupils, parents and staff.

5.0 Access Audit

5.1 The school consists of a number of two and three storey buildings, most of which are internally linked. The buildings have wide corridors and several access points from outside. The hall is on the ground floor and is accessible to all. There are 3 lifts which can accommodate a large wheelchair which are maintained on a regular basis through a service agreement with Kone. Access to the lifts is restricted and the appropriate staff and students are trained in the operation of the lift when relevant.

5.2 On-site car parking for staff and visitor includes 18 dedicated disabled parking bays. All entrances to the school are either flat or ramped and all have wide doors fitted. The main entrance features a secure lobby and has been fitted with a low reception hatch, this being fully accessible to wheelchair users. There are a number of disabled and accessible toilet facilities available. All these are fitted with a handrail and a pull emergency cord.

The school has internal emergency signage and escape routes are clearly marked. In the event of an emergency evacuation there are refuge areas for wheelchair users. Fire warden training in respect of emergency evacuation of people with limited mobility is completed on a regular basis.

8.0 Management, coordination and implementation

- We will consult with experts when new situations regarding pupils with disabilities are experienced.

4.0 Current good practice

We aim to ask about any disability or health condition in early communications with new parents and carers. For parents and carers of children already at the school, we collect information on disability on entry to the school.

4.1 Physical Environment

The School has in place full disabled access to all its facilities and has ensured that such access has been maintained in its ongoing development of additional teaching spaces. Full access is also in place to all external parts of the School's site. The School has similarly ensured that there are sufficient washroom facilities within its teaching areas designed specifically for disabled users.

As has been best practice in the past, the School will continue to take account of the needs of its students, staff and visitors with physical difficulties and other impairments when planning and undertaking future improvements and refurbishments of the site and premises, such as improved access, lighting, acoustic treatment and colour schemes

4.2 Curriculum

The School already offers a broad and balanced curriculum with a diverse range of additional opportunities that are appropriately differentiated so as to maximise student access and to encourage wider participation. The School will continue to review provision and seek input from students, parents/carers, relevant specialist advisers and appropriate health professionals on a regular basis.

4.3 Information

Different forms of communication are made available to enable all disabled pupils to express their views and to hear the views of others. Access to information is planned, with a range of different formats available for disabled pupils, parents and staff.

5.0 Access Audit

5.1 The school consists of three two and three storey buildings, all of which have wide corridors and several access points from outside. The main Hall is on the first floor and is accessible via one of two lifts. There are 5 lifts in total which can accommodate a large wheelchair which are maintained on a regular basis through a service agreement with Kone. Access to the lifts is restricted and the appropriate staff and students are trained in the operation of the lift when relevant.

5.2 On-site car parking for staff and visitor includes six dedicated disabled parking bays. Each building has a ramped or flat entrance way and all entrances to the school have wide doors fitted. The main entrance features a secure lobby and has been fitted with a low reception counter, this being fully accessible to wheelchair users. There are a number of disabled

and accessible toilet facilities available. All these are fitted with a handrail and a pull emergency cord.

The school has internal emergency signage and escape routes are clearly marked. In the event of an emergency evacuation there are refuge areas for wheelchair users. Fire warden training in respect of emergency evacuation of people with limited mobility is completed on a regular basis.

6.0 Management, coordination and implementation

- We will consult with experts when new situations regarding pupils with disabilities are experienced.

7.0 Accessibility Plan

1.0 Vision Statement

- 1.1 The Equality Act 2010 replaced all existing equality legislation, including the Disability Discrimination Act. According to the Equality Act 2010 a person has a disability if:
- (a) They have a physical or mental impairment, and
 - (b) The impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

Under the Equality Act 2010 an Accessibility Plan is listed as a statutory document of the Department for Education's guidance on statutory policies for schools. The Plan must be reviewed every three years and approved by the Governing Body. At The East Manchester Academy the Plan will be monitored by the head teacher and evaluated by the relevant Governors' committee.

- 1.2 At The East Manchester Academy we are committed to working together to provide an inspirational and exciting learning environment where all children can develop an enthusiasm for life-long learning. We believe that children should feel happy, safe and valued so that they gain a respectful, caring attitude towards each other and the environment both locally and globally.

The East Manchester Academy Accessibility Plan has been developed and drawn up based upon consultations with students, parents, staff and governors of the school. The document will be used to advise other school planning documents and policies and will be reported upon annually in respect of progress and outcomes. The intention is to provide a projected plan for a three year period ahead of the next review.

The Accessibility Plan is structured to complement and support the school's Equality Objectives, and will similarly be published on the school website. We understand that the Local Authority will monitor the school's activity under the Equality Act 2010 (and in particular Schedule 10 regarding Accessibility) and will advise upon the compliance with that duty.

The East Manchester Academy Accessibility Plan shows how access is to be improved for disabled students, staff and visitors to the school within a given timeframe and anticipating the need to make reasonable adjustments to accommodate their needs where practicable. The Accessibility Plan contains relevant and timely actions to:-

- Increase access to the curriculum for students with a disability,
- Improve and maintain access to the **physical environment** of the school,
- Improve the delivery of written information to students, staff, parents and visitors with disabilities;

1.3 The East Manchester Academy is committed to providing an environment that enables full curriculum access that values and includes all students, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness within the school.

Whole school training will recognize the need to continue raising awareness for staff and governors on equality issues with reference to the Equality Act 2010.

1.4 This Accessibility Plan should be read in conjunction with the following school policies, strategies and documents:

- Cooperating for Learning and for Life Policy
- Teaching and Learning Policy
- Health & Safety Policy
- Equality Policy
- School Improvement Plan
- Special Educational Needs Policy and SEN Information report

1.5 Equality Impact Assessments will be undertaken as and when school policies are reviewed. The terms of reference for all governors’ committees will include the need to consider Equality and Diversity issues as required by the Equality Act 2010.
