Service	Type	What happens?
1	Clerical check	The adding up of marks is checked.
2	Review of marking	The exam paper is checked to make sure it was marked correctly according to the mark scheme. Marks can go up, down or stay the same.
3	Priority Review of marking (Edexcel/Pearson GCSE only)	The exam paper is checked very quickly to make sure it was marked correctly according to the mark scheme. Marks can go up, down or stay the same.
ATS	Access to script (original)	You get your original exam paper back, no review can then take place.
ATS Priority	Priority Access to script (copy)	You get a copy of your exam paper back quickly so you can decide whether to apply for a review of marking.

Your teachers may recommend that you are put forward for a review of marking. If they do, you must still give your written consent for this to happen. You will not be charged for this as the school will pay on your behalf.

Can I have my coursework or controlled assessment reviewed?

- No. This service is not offered by the Awarding Bodies for individual students.

What do I have to pay (if school are not paying on your behalf)?

- You have to pay for each exam paper, not for each subject.**
- Payment must be paid on Parent Shop for each unit you are requesting before anything can be processed.
- Reviews of marking and access to scripts cannot be processed for students paying independently until **payment is received** by the school and the Examinations Officer is in receipt of **written consent**. Forms will be available on results day or by emailing exams@temac.co.uk after this date.
