WELCOME TO

Our Prospectus

The East Manchester Academy, is a vibrant and diverse community where academic learning, personal development and community transformation are at the heart of all that we do.

As Headteacher, I am incredibly proud to lead such a talented community of staff and students who embody our values of: Respect, Equality, Ambition, Care and Handwork. As a team we support one another to achieve our goals and become the best version of ourselves. We pride ourselves on our high expectations and high standards; our students feel safe, happy and secure. They are able to thrive in a caring and supportive environment where our REACH values permeate all that we do.

Our academy has a strong vision: 'We will equip all students with the skills, abilities, attributes and qualifications to pursue a fulfilling career, contribute positively to their communities and be active, global citizens.' Our curriculum has a strong focus on academic disciplines whilst providing opportunities for students to study vocational and technical qualifications. Academic study is supported by exceptionally strong links with our strategic partners and our students benefit from a wealth of extended opportunities to grow their skills and realise their potential.

Across the academy, we have a talented cadre of staff who are passionate about ensuring equality of opportunity and excellence for our students. We have a clear passion for our local community and are proud of the rich and varied history of Manchester. We endeavour to make our students feel a strong sense of belonging and a true sense of pride in their community.

Here at TEMA, we have high expectations and high ambitions for all members of our academy community. Together, we set ourselves challenging targets and strive to achieve them.

I am enormously proud to be part of such wonderful community and look forward to welcoming you.

Miss J. Bowen
Academy Headteacher

OUR

TEMA Offer:

At TEMA, we believe that the curriculum is the sum total of everything that we hope students learn throughout their time with us.

The curriculum goes beyond that which is learned within a classroom and should include the opportunity to access a wide range of activities including the arts, culture and sport. We aim to build students' cultural capital through systematic and planned exposure to enrichment activities. We use a definition of culture which celebrates and embraces the different backgrounds, heritage, language and traditions of all of our students.

We recognise that access to and participation in extra-curricular activities is an important part of building students' soft skills and consequently an important building block in the foundations of social mobility. We have taken on board the recommendations of the Social Mobility Commission in having a designated co-ordinator of extra-curricular and enrichment activities.

We acknowledge the evidence presented in the report that our students may have less access to opportunities than their peers and aim to actively bridge that participation gap.

Furthermore, we recognise that access to learning outside of the traditional curriculum can be particularly supportive for students who are disengaged from school or dealing with trauma. We use detailed and objective knowledge of our students' histories to plan and implement supportive interventions.

The TEMA offer encompasses the additional curriculum that is offered to students throughout their time at the academy. In order to ensure an equity of offer and full participation for all students some enrichment elements are compulsory for all students, these are the TEMA offer.

PERSONAL Development

8 Student development is nurtured and builds year on year; capitalising on what students should already have studied at Key Stages 1 and 2.

It is our goal to promote and progress life skills in all our students, which will cultivate our TEMA values, so that our students are thoroughly prepared for life in modern Britain.

We aim to educate students who will be responsible, respectful and active citizens who are able to play their part and become actively involved in public life as adults.

We want our students to be alert to current affairs and be diligent in their appetite for challenge and who value their Personal Development curriculum.

Personal Development broadens our students' understanding of fundamental British values; democracy, individual liberty, the rule of law and mutual respect and tolerance.

HISTORY

We are extremely proud of the broad and balanced range of subjects we offer to all of our students.

All students in Year 7, 8 and 9 study English, maths, science, history, geography, RE, Spanish, technology, art, performing arts, music, computer science, PE and PSHE.

More information on our curriculum content can be found on the individual subject pages -

COMMUNITY

Partnerships

We aim to make TEMA the heart of our local community.

We recognise that collaboration with our community partners is essential. We aim to be the conduit through which our students can access facilities, services and education outside of the academy building and the academy day.

We reach out for the knowledge and expertise of our community partners to support us in our vision for personal development.

These are just a few of our many community partners...

STUDENT Leadership

Student Leadership is an important part of our vision and commitment to students. We have high aspirations for our students and believe that developing them as leaders plays a key role in community transformation and improving their life chances.

We aim to give students the confidence and oracy skills needed to navigate themselves in elite spaces later in life as well as the skills needed to lead and promote positive change in their own communities.

Student Leaders form an integral part of the Student Voice process and have the opportunity to meet regularly with the Academy Leadership Team and effect real change in the academy. We aim to make our Student Leadership team diverse and representative of our student body.

Each year group has its own Student Leadership Team and 10% of the student population will have some leadership responsibility. We expect Student Leaders to represent our TEMA values of Respect, Equality, Ambition, Care and Hard Work.

Our Principal Student Leaders are voted for by their peers and are given the opportunity and responsibility on leading on self-directed projects within the academy as well as being important ambassadors for TEMA in the community.

In addition to our Student Leadership team, we recognise and encourage leadership through our Extended Leadership Groups. These aim to give safe spaces for students to discuss issues of relevance to them and promote marginalised voices within the Academy.

These groups include, Empowered Women, the Boys Battalion, TEMA Pride and TEMAYouths of Diversity.

REAL

Perspectives

I came to The East Manchester Academy because of the range of extra activities like football, rugby and running. I enjoy TEMA because of the equality I feel and because how much they care about students.

David
All Saints Primary

I'm glad I chose The East Manchester Academy because I have met some amazing new friends and had some amazing new experiences. I like everything at The East Manchester Academy. All the staff are really nice and helpful.

Lilliana
New to Manchester from Spain

I'm so glad I chose The East Manchester Academy. The teachers are nice and persuade you to sign up for new experiences from the TEMA offer.

Lijay
Higher Openshaw Community Primary School

It has been the best choice for me because I struggle a bit. This school has done the very best they can to support me.

Charlie
Manchester Road Primary School

The East Manchester Academy has opened my eyes to new experiences - to things I didn't know I could learn.

Brandon
St Anne's RC Primary School

I'm glad I came to The East Manchester Academy because everyone gets treated fairly and with respect. Nobody ever gets mistreated. When I was coming to high school I was very worried but the staff have made me feel so welcome. The staff get everything sorted out. School feels like a second home for me and all my friends are like brothers and sisters to me.
