Manchester Libraries

the beating heart of our communities

Manchester Libraries and Archives Service deliver leisure, cultural, learning and information services through a network of neighbourhood libraries, community partnership libraries and the internationally renowned, world-class Central Library – one of the most visited public libraries in the country – HMP Manchester Prison library and Books to Go for housebound people.

People are at the heart of everything at Manchester Libraries. Each library helps to make its neighbourhood a vibrant place and serves the whole community, offering a warm welcome to all. Our high-quality buildings have received investment of several million pounds in recent years and are high-quality buildings that enable a fantastic service to be delivered.

We want everyone to get the most from our libraries. In recent months people have been facing a cost-of-living crisis that will last for months and possibly years to come. Libraries are helping Manchester residents more than ever. They provide welcoming spaces that improve people's lives by offering a free service for all in the community, as well as a warm welcome, support and resources. We have recently abolished fines for late returned books.

There are so many reasons to use libraries, including:

- A vibrant, exciting and diverse events programme for all ages
- Book stock that promotes reading for pleasure and literacy
- High-quality Internet, Wi-Fi and printing at each library
- A skilled workforce, dedicated to offering an excellent service to customers.

The library stops time and noise, broadens my mind, and it makes me explore and discover new things. It excites my little boy and he feels happy. I love my library because it's always there.

My library means a lot to me and my son. It increases our knowledge and widens our imagination, takes us to places we've never been, and allows us to experience things we may never do in everyday life. It's imperative that every area and every person has access to a library.
