

GCSE Geography Trip – Tuesday 11th July

Dear Parent/Carer,

As part of your child's GCSE geography course, they are required to take part in a fieldwork trip. Students will be visiting Crowden, in the Peak District National Park.

The experience will allow students a chance to investigate how the characteristics of a river change as it travels downstream. They will be required to write about this in their GCSE paper 3 exam.

Transport for the trip will be **fully funded** by the academy; you are required to pay **£0**.

The trip will depart at **09:00 a.m.** so pupils should arrive at school at the normal time of 08:30 a.m. to ensure we depart on time. Students will return for approximately **3:30 p.m.**

Students will be provided with a packed lunch from school.

Students should be reminded that they are representing the school and as such are expected to display **excellent behaviour and attitude at all times**.

Students should wear **their own clothes** on this school trip. These should be clothes that **they don't mind getting wet or dirty**, as they will be collecting data from the river. Pupils are also encouraged to bring a change of clothes in case they get wet to wear on the coach back to school. It is important that they wear **sensible footwear** as they will be walking, and they will need to be comfortable throughout. It is also advisable for them to bring **sunscreen and waterproof clothing** in case of unpredictable weather.

An email has been sent to parents in order to gain consent for this trip, please check your emails.

Yours kindly,

Mr F Turner

Subject co-ordinator of Geography
