

12th July 2023

Dear Parents/Carers,

Well done this year to all students in Physical Education. Standards in relation to kit have been excellent and we would like to thank parents/carers on your continued support. On this note, can you please ensure your child is ready for the year ahead with the following pieces of equipment.

Appropriate PE kit.

- Academy PE top (Short or Long sleeved)
- Academy PE shorts
- Navy Football socks
- Suitable Trainers
- Hair bobble

Additional options.

- Plain Navy tracksuit bottoms
- Plain Navy sports leggings (Not cotton material)
- Plain blue or black long sleeve base layer (underneath top)

If students are ill or injured they are still required to bring a full PE kit to lesson. The decision around changing will be dependent on their illness or injury and an alternative role will be given to them. If students forget their PE kit they are expected to borrow spare kit and change out of their uniform completely. Failure to do so will result in an R3 and or R4.

Many Thanks,

TEMA PE
