Dear Parents and Carers,

RE: Year 11 'Prepare to Perform' Evening – Tuesday 20th January 2026, 5:00pm

Dear Parent/Carer,

I hope this letter finds you well. As we approach the crucial second period of Pre-Public Examinations (PPEs), I am writing to invite you to our '**Prepare to Perform**' evening for parents and carers of Year 11 students. This event is designed to provide valuable insights and practical guidance on how to support your child as they prepare for their upcoming PPEs and their GCSE examinations in the summer.

The evening will take place on **Tuesday, 20th January**, starting promptly at **5:00pm**. We have organised this event to ensure you are fully informed about the strategies and resources available to help your child succeed during this important stage.

During the session, we will cover a range of topics, including:

- Effective revision techniques

- Time management strategies

- Useful resources to support academic progress

We believe that your involvement and support are vital in helping your child achieve their full potential. This event will equip you with the tools and information needed to make a real difference.

To allow everyone to focus on the presentations, we will be providing a hot meal for both parents and students. This will give you the opportunity to enjoy a meal together before the informative sessions begin.

To help us plan effectively, we will send you a further text message with a link to a google form. We would appreciate it if you could fill this form in promptly so we know how many people to cater for.

We strongly encourage all parents and carers to attend, as your active participation will greatly benefit your child's educational journey. Your support during this challenging period is crucial, and together we can help your child excel in their PPEs and GCSE exams.

Thank you for your continued commitment to your child's education. We look forward to welcoming you to our 'Prepare to Perform' evening.

Yours sincerely,
Ian Mountain
