

3rd March 2026

Dear Parent/Carer,

As part of our commitment to promoting positive career pathways to our students, we are excited to offer your child a fantastic opportunity to take part in an employer engagement programme with logistics specialists **DHL**.

This programme is only open to 30 students and is a great chance for your child to visit a workplace and meet employers.

Key information

Dates: Monday 9th, 16th and 23rd March

Timings: 9:00am-12:15am

Location: This is an in-school workshop with the possibility of a workplace visit later in the year.

What to Expect:

The program connects young people with DHL employees who serve as mentors and role models, providing the skills, confidence, and networks required to thrive.

Students will have the opportunity for work experience as part of the workshops which focus on real life workplace tasks and scenarios.

If you would prefer for your child not to take part in the programme then please leave a message for the year team as soon as possible with our reception or email s.lonsdale@temac.co.uk.

Many thanks

Stephanie Lonsdale
Assistant Headteacher - Personal Development
The East Manchester Academy
