Getting started as a student

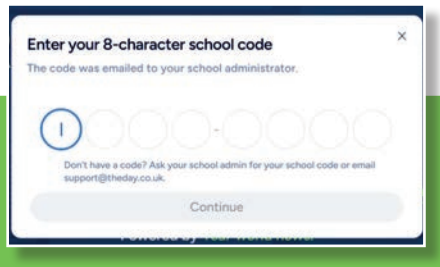

Just five simple steps to join The Day and start exploring!

THE DAY
READ THE WORLD

1 Visit The Day

Go to ***read.theday.co.uk*** and select **"Sign up as student".**

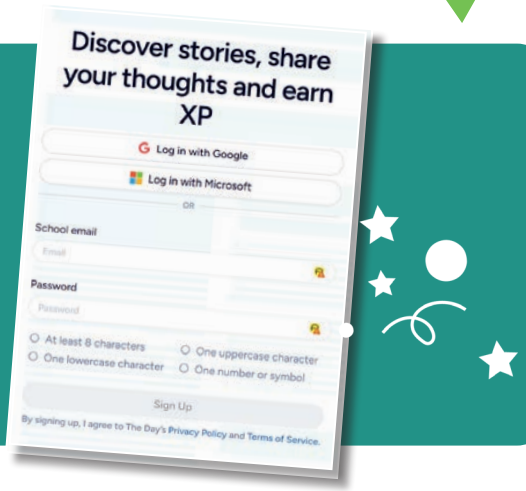

2 Enter your Student Join Code

Enter the eight-character Student Join Code provided by your teacher.

Student Join Code: _____

3 Confirm your school and choose how to sign up

Check that the correct school or college is shown. Then choose to sign up using your school Google or Microsoft account, or your school email address and a password to confirm that it's you.

4 Complete your registration

Enter your details and select a username from our automatic username generator. Follow the remaining on-screen instructions to complete registration. Choose carefully, as you won't be able to change your username once you've selected it.

5 Join your class

Wait for your teacher to tell you which class or classes to join. Once they've given you the class details, select Join a class from the right-hand menu or Activities tab and join the class your teacher has instructed you to join.

And that's it!

You're ready to explore The Day!
